

Library Resource Management Systems, Inc.

Borrower Labels

Borrower Labels can be printed in various groupings, if you are a school library; organize by Group/Grade or by Parent ID (Teacher). Label printing can be on labels or an 8 ½ plain white paper which can be used by that teacher for their class library visit as a checkout aide.

Other types of libraries can utilize Borrower labels as a means to identify Groups of borrowers who visit the library for classes or reading programs.

LRMS(Build 3.8.17) : DEMO (User: lrms) (Server: (local)) - [Borrower Labels - Brother HL-2270DW series Printer #357]
